SCHOOL CONCLUDES TODAY TERM 3 BEGINS MONDAY 15 JULY

What a busy term it has been! Full of learning and fun! Thank you to all our families for the support and assistance you offer to support your child's schooling in our happy community. Working together continues to model to your child that we work in partnership to provide them with the best opportunities available.

Thank you to our staff for your untiring efforts this semester. It's been a big term!
Happy holidays to the students. Have fun. Be safe. Do as your parents ask you.
We look forward to Semester 2, full of more exciting learning opportunities.

Congratulations to our MERCY Kid Award winners! Well done to you for always using our MERCY values to be great friends and learners in our school! You are really awesome and with all your friends at school make Aranmore a fabulous place to be!

SCHOOL CHANGES FOR TERM 3:

1. **Cyber-safety** and safety of your child's **phone** are important! Parents are required to complete the form that accompanies the guidelines and return to school at the beginning of Term 3. Please see last week's newsletter for details. Application forms are available from the office.**
2. **NO food or Drink** in the Hall or Library. We ask all parents and visitors to refrain from consuming food or drink in the hall or library. Thank you.
3. **E-scooters are not permitted on school grounds. As of Term 3 E-Scooters are not permitted on school grounds. Thank you for respecting and observing this.**

Important! Parents who are considering engaging or who have engaged an **external allied health agency** to assist in their child's development follow these protocols:

- All allied health reports for teachers are to be submitted to the principal, via the office.
- Students attend allied health services offsite before, after or during school time. Contractors (unless on agreed circumstances with the principal) do not conduct their business on school grounds.

So that we can support your child's development, to the best of our ability, we ask parents and carers, adhere to these guidelines. **Further information is available on request, and on the school website.**

School Health Nurse services are currently not being undertaken at school. Ought you wish to contact the school nurse to assist with a review for your child, please contact the school for further information.

Kiss 'n Ride

Please refrain from getting out of your car at Kiss 'n Ride. The new procedure is very effective and with your patience and the swiftness of the children, this is a real winner! Safer, quicker and everyone is happier!

Safety for our community is paramount. Please adhere to the parking restrictions on Brentham street and take care and respect our neighbour's property. Thank you. The **School app** is another MUST have. This app is used to quickly inform parents and carers of important information. Don't forget to turn 'notifications' on so that you don't miss a message. Please download from either the App Store or Play Store.

In the best interests of looking after children safety, the following child protection matter is in place: Bathroom and toilet facilities are available for all visitors to school in the administration area.
